/Benvenuti nel mondo di Sedes!

Siamo una realtà giovane ma al tempo stesso nata sulle solide basi di una esperienza trentennale nella produzione di componenti per l'arredamento.

Le nostre collezioni sono il frutto di una ricerca continua nel mondo del design con cui sviluppiamo prodotti innovativi. Attraverso la collaborazione attiva con i nostri clienti siamo partner produttivi nello sviluppo di prodotti esclusivi, creati "su misura".

Vogliamo proporvi soluzioni a valore aggiunto, mettendovi a disposizione le competenze e le risorse del nostro ufficio R&D e dei nostri laboratori di prototipazione, sviluppo e ingegnerizzazione che collaborano costantemente con i designer per trovare soluzioni innovative basate su concetti di ergonomia, estetica e sostenibilità.

/Welcome to the world of Sedes!

We are a young company but at the same time born on the solid foundations of thirty years of experience in the production of furniture components.

Our collections are the result of a continuous design research with which we develop innovative products. Thanks to a continuous collaboration with our customers we are manufacturing partners in the development of exclusive, "tailor-made" products.

We want to offer you value-added solutions, making you available the skills and resources of our R&D department and our laboratories of prototyping, development and engineering collaborating constantly with designers to find innovative solutions based on concepts of ergonomics, aesthetics and sustainability.

/Una morbida curva disegna la silhouette di Nidà trasformando un segno in idea di comfort. Le sue forme sinuose ed avvolgenti si moltiplicano nelle varie versioni che compongono questa famiglia di sedute. La sua versatilità la rende adatta sia a spazi domestici che contract o ufficio, contribuendo a rendere il sedersi un'esperienza unica.

/A soft curve draws Nidà's silhouette transforming a sign into an idea of comfort. Its sinuous and enveloping shapes multiply into the various versions that compose this seating range. Its versatility makes it suitable for both domestic and contract or office spaces, helping to make sitting a unique experience.
